

FREE Telehealth and Wellness for All!

Xtension Health, in association with TeledocX International now offers ALL employees who are not eligible for the full HealthWorX program, free Telehealth and Wellness services. It is our mission to make certain that no man, woman, or child is without healthcare.

- Dr. John Zabasky, MA, MBA, PhD
Executive Director

Telehealth

Unlimited telehealth calls with no co-pay and no deductible.

Health Risk Assessment

Doctors and Nurses help employees conduct personal health assessments.

Prescriptions

In partnership with GoodRx, participants receive 70%-80% discounts at pharmacies.

Chronic Condition Management

Based on the HRa, Doctors and Nurses create individual programs for each participating employee.

Mental Health

Full Employee Assistance Program, along with life coaching.

Help Groups

For companies in which there are significant members with a particular chronic condition, our Doctors and Nurses will establish group programs to assist those employees supplemental to individual programs.
