### HRaXcess is the only **NO COST, NO ADMIN FEE** PEO on the planet!

Currently, the U.S. is looking at economic growth and an improving employment landscape, which has lead to a resurgence in the Professional Employer Organizations (PEO) industry. According to a recent study by economist Laurie Bassi, businesses that use a PEO have 40 percent higher revenue growth, 14-16 percent lower turnover rates, and are 50 percent less likely to go out of business than companies that do not use a PEO.

HRaXcess is a NO COST, full-service PEO program that specializes in technology-based solutions to ensure that our clients are not only saving critical dollars essential to their bottom line, but also have access to the latest technology in human resources, finance, insurance and more.
